<https://github.com/suryansumishra>

Passionate Computer Science Engineering student with hands-on experience in web development and data analysis. Proficient in programming languages such as Java, Python, and C, with a strong foundation in data structures, algorithms, and database management. Proven ability to create insightful data visualizations and develop responsive web applications. Eager to leverage technical skills and problem-solving abilities in a dynamic web development or data analysis role.

## EDUCATION

NIST, Berhampur, Odisha, India

BTech-Computer Science and Engineering

May, 2022 – Present

Vikash The Concept School, Sason, Sambalpur, Odisha

Intermediate-Science

April, 2021 – March, 2022

Carmel English Medium School, Phulbani, Odisha, India

Tenth

April, 2019 – March, 2020

## TECHNICAL SKILLS

Programming Languages: C, Python, Java, HTML, CSS, JavaScript

Soft Skills: Problem Solving, Communication, Adaptability, Critical Thinking

## EXPERIENCE

### PwC Company Launchpad Trainee

- IT Fundamentals, demonstrated a comprehensive understanding of essential technology concepts and terminology.
- Certification in RDBMS, affirming a strong foundation in database design, and data management practices
- Programming Fundamentals(ongoing)
- Salesforce(ongoing)

### Python-Based Data Science Intern

- Developed data visualizations using Python (Pandas, Matplotlib) to identify trends and patterns.
- Contributed to data-driven decision-making by presenting clear and actionable visual summaries.

## PROJECT

### Tech Track - Web Application Development

- Developed TeachTrack web app (Flask, SQLAlchemy, SQLite) for user authentication, faculty profiles, and feedback.
- Implemented secure login with password hashing and role-based access control (users, faculty, admins).
- Created utility scripts for efficient database setup, user management, and faculty data inspection.

### Certificate Sharing Webpage Project

- Developed a responsive web app for certificate upload, organization, and sharing.
- Implemented secure certificate uploads with password protection and utilized local storage for persistent user data

## CERTIFICATIONS

- Cyber Security and Ethical Hacking Internship Program
- Full Stack Web Development Internship Program
- Data Science and Machine Learning Internship Program
- Problems solving basic certificate HackerRank
- Pwc Certifications
